MURIETA EQUESTRIAN CENTER

HUMANE TREATMENT OF ANIMALS POLICY

Murieta Equestrian Center enforces the humane treatment of all animals for shows held on our premises. Notification of mistreatment of animals may result in verbal and written warnings as well as those involved requested to leave the facility.

Slapping or hitting a horse on the head, one time or more than one time, in any manner, either with the rider's hands, reins or any other object; Using a bit in such a way that a horse is caused to bleed from its mouth or face; Using any object held in the rider's hand, other than the bridle reins or a light leather quirt, to hit a horse; Any act which the general public would perceive to be inhumane to the horse. This includes such acts occurring not only in the show arena but also those occurring anywhere on the show grounds including but not limited to, the warm-up area, practice pen or any other location.

1. If show management at any MEC event discovers inhumane treatment of a horse, it may immediately bar the responsible party and horse from further participation in the event. Show Management must be notified within seven days of the closing date of the show involved, and that complaint will be referred to the appropriate committee for investigation and consideration.
2. Inhumane treatment is the exhibition of a crippled or injured horse, or a horse with any other health abnormality, which could thereby result in the horse's undue discomfort or distress. The decision of show management or judge as to inhumane treatment shall be based upon consultation with a veterinarian. If show management or judge determines, in the sole discretion of either, that the welfare of the horse requires immediate action, and a veterinarian is not available, show management or judge may implement any action allowed by this rule.
3. Abuse includes excessive jerking, spurring, whipping, slapping, use of lip wire or similar device, or any other act intended to cause trauma or injury to a horse. Any act of abuse, or intent to abuse a horse, in the show arena or on the show grounds which could also potentially endanger the safety of other persons or animals will be dealt with in the strongest possible manner.
4. Administration of drugs while on the show grounds, including show arena and practice arena, is strictly prohibited unless administered in a life-saving situation. Such an instance must be reported to show management. The decision of show management as to life saving treatment should be based on consultation with a veterinarian. Show management shall disqualify and/or refuse entry to any contestant and/or owner for violation of this rule.

WHAT YOU NEED:

A free account at *HorseShowsOnline* (www.horsheshowsonline.com). If you don't already have an account you can create one. A *HorseShowsOnline* basic membership is FREE.

A record in your account for each person and horse that you will use on show entry forms when you enter a show.

HOW TO GET STARTED:

1. Follow the directions to create an account or Login to *HorseShowsOnline* by clicking the "*Member Services*" button in the main menu.
2. Once you are logged in, *click the "My Horses, People, Shows"* button in the member menu.
3. At the *People, Horses, Shows* page, add any new people and horses to your account as required on the appropriate tab (i.e., *My People, My Horses*). People and horses are saved with your account. Once you have those records in your account you can use them at every show you enter.
4. Click the "*Enter show*" button to select the show you want to enter and follow the steps in the online entry wizard.

STEPS TO ENTER A SHOW:

Select the show you want to enter from your "My People, Horses, Shows" page on the "My Show Entries" tab, or find the show you want to enter in show selector and click the *Online Entry* icon. This will start the online entry wizard. **IMPORTANT:** Make sure you have already created the horses and people in your member account.

The online entry wizard will guide you through the steps to complete the entry form. The basic steps in the wizard are:

1. Select the horse, people, and riders for your entry
2. Select the classes each rider is entered in.
3. Select the quantity for stalls and other fees.
4. Confirm your selections
5. Checkout and submit the show entry.

The final step generates the completed entry form and submits your entry to the show for review and acceptance. If the show requires a payment at entry time, you will be prompted for your credit card information.

TIPS:

You can cancel the entry part way through the wizard and resume the entry later on. For example if you need to add more people to your account, or you just want to come back and complete the entry later. Unfinished entry forms are listed in your "My entries" tab and will allow you to edit the entry.

People and horses you create in your account are saved permanently and can be used in other shows you enter. You only need to add people and horses once and then they can be reused.
